Coping with an Unpredictable World – Disciplinary Insights and Common Ground

Organising Committee: Geoffrey Wood (Western Univ Canada), Raphael Markellos (Univ East Anglia), Vasiliki Bamiatzis (Univ Sussex), Marianna Marra (Univ Sussex), Konstantinos Bozos (Univ Leeds), Jia Liu (Univ Portsmouth)

About: Disciplines have much to learn from each other in developing new methodologies, theories and applied insights to make sense of our age of grand challenges. Many of these challenges assume novel, unpredictable forms and solutions that grow in the common ground between fields. Building on the threefold success of the International Symposium in Finance (2018, 2019, 2022), this multidisciplinary event brings together academic researchers and decision makers across disciplines and communities of practice in business and management (including finance, accounting, IB, marketing, HR, strategy, operations, OR, innovation, entrepreneurship, economics). Specific focus will be provided by the BAM Special Interest Groups in Financial Management, International Business & International Management, and Corporate Governance that will organise paper workshops and activities for their members and other delegates. There will be a strong emphasis on capacity building, with informal support and drop-in sessions provided in raising one's work to the next level. It will take place during a 4-night cruise onboard the Celestyal Olympia ship visiting Lavrio/Athens, Mykonos, Kusadasi, Patmos, Rhodes, Crete, Santorini. In addition to full conference facilities and a rich academic program, the venue will enable effective networking along with a great schedule for social and cultural activities.

Editors Onboard: Geoff Wood (*Academy of Management Perspectives*, *Human Resource Management Journal*, *Annals of Corporate Governance*), Konstantinos Stathopoulos (*Corporate Governance: An International Review*), and Stergios Leventis (*Journal of International Accounting, Auditing and Taxation*). They will provide informal feedback to presentations they attend and organise meet-the-editor sessions.

Paper Submission: Papers should be sent as an electronic copy in PDF format to submission@is-business.org by May 15th, 2023 for review. We follow a rolling acceptance system whereby authors are notified of the review decision within two weeks of submitting their paper. Acceptances will be limited to facilitate interaction.

YOUR SHIP CELESTYAL OLYMPIA

The elegant Olympia reflects and celebrates Greek heritage, tradition and culture and offers warm Mediterranean hospitality. She has sunny, bright, airy lounges and restaurants, spacious staterooms, two pools and generous expanse of teak decking.

The ship is named after the site in Western Greece, dedicated to Zeus, where the ancient Olympic Games were held.

Regarded as the jewel in the crown of the Celestyal fleet, Olympia underwent a complete refurbishment in 2016 and is home to a maximum of 1,664 guests on any one cruise being looked after by a crew of just over 540.

Your time on board will seem unhurried and relaxed and there will be plenty of time to explore the exciting places Olympia will take you to.

SUITES AND STATEROOMS

The Olympia has 694 staterooms and 30 Suites. 9 of these are with private balconies. All suites and staterooms are en-suite, with, TV and have air conditioning. All suites have minibars.

RESTAURANTS

Dining options range from the Aura Grill or the Leda Buffet for casual dining on deck nine and the Aegean Restaurant which offers international and Greek cuisine. For children, kids' menu is also available in the main dining room. You can also enjoy our specialty restaurant menus with a selection of local dishes at a charge.
